Southern Riverina Tennis Trials

The tennis trials were also held last Friday and we sent Bailey Watkins, Madison Lieschke and Nate Kohlhagen to represent our school. The level of competition was extremely high and Nate and Madison were successful in making it through to the Riverina trials to be held in Griffith later in the term. Madeline Watkins has also qualified for this event. Well done to everyone and thank you to Miss Widdison for your organization. Thank you also to the parents that supported the students on the day with transport and encouragement.

Road Safety Officer Visit

Road Safety Officer with the Greater Hume Shire Council, Shelagh Merlin, visited our K/1/2 class last week to present our new students with a new library bag containing important messages and activities for the children relating to road safety and the environment. The library bag promotion is run by Council in conjunction with the REROC Waste Forum to reinforce road safety messages and raise awareness about ways in which simple changes can reduce the generation of waste at school, at home and help the environment.

The Mobile Library

It is wonderful to see so many children borrowing each week from the Mobile Library. This is a vital service for our community and I encourage everyone to come along on Monday mornings to browse the shelves.
